At Christmas, I went to a party with my friends.
Then, on New Year's Eve, we all went to pray.
Then, on Valentines Day, I gave out girl chocolate.
Ah, when will I fall in love?

This BAD DO!
Did you see it!?
I'll be proud to go here since they're filming the new PV in our school!
Ah there they are!
Hurry hurry!
He's here!
Kyaaaa!
I saw I saw!
He's in the principal's office!
He's arrived!
A rival has entered the scene!

Consumed by the flames of Jealousy!
I want two hott guys fighting over me!
Aahhh
That "pissed off" expression, it's too beautiful!
I can't wait!
Don't you find the idols being here exciting?
You-chan, Yuki-chan!
Kogure!!

It's "BAD DOT" They're a super popular idol duo!
They're really good looking.
But, I don't know about Paddou?
Are they from Paris?
Eh... But idols seem so frivolous...
I like the prince-type...
I'm not interested in 3D people.
Hey there, I'm Maki Kogure, (16 years old) and I'm in high-school.
Ah...do you want some cotton candy? It's a souvenir my dad brought back from Paris!
It's bright pink!
It has flavor additives.
I love manga and food,
but the thing I want most, I can't have ..

I'm dedicated to studying.
Hey! Let's play basketball!
Kyaa! BAD DO is outside!
Eh!? I wanna see!
Uh, my bad.
I can't handle real guys.
Sure

If she's so afraid of guys, she obviously can't fall in love.
Un...
Have fun.
You-chan, Yuki-chan!
I need to go somewhere quiet!
But I wonder what would happen if someone fell for her, what kinda guy would he be?
ビクッ
I'm also interested in love.
But manga guys are much more gentle and beautiful than reality.
For the time being, I have no intention of falling in love.

My...
Prince.
But one day I'd like to find the one.
Uwah!
What the-!
A butterfly?
It really startled...
me...

Oh... It's a real guy.
But...
He's gorgeous!
And in our school!
Waaah, waaah
He really exists! It's a character from a manga!
Carefully, without him noticing...
I'll just take the butterfly...

EH!?

Uwaaa
Our eyes met...
And he's holding my hand,
our bodies are so close.

Hey! You.
I can't move.

Were you just trying to kiss me!?
You~
You're wrong!

Eh!? I am not!
Well it's not surprising that you'd be attracted to my charm.
Uwaaaa!
A butterfly? And just where is it?
wanted to take the butterfly
just I...

Eeeh!?
Hurry and remove that thing!
Now!
Immediately!
Aaahhh!

Oi
Just now,
You CANNOT tell anyone about what happened!
Okaaaay!
Ah, oi!

Why'd he grab me!?
And look at me so strangely!
All I wanted to do was help!
That's why real guys are scarey!
Kogure
and since you're so cute they'll eat you.
Boys are wolves.
Eeek!? Nooo, that's scarey!
It's not possible... That girl...
ran from me?

I'm afraid!
Yet when he squeezed my wrist, I couldn't move!
My dad showed me different defense techniques.
Okay!
Papa will teach you how to beat them!
So I can't fall in love!
Oh! Just in time!
Excuse me, I was reckless!
In time?
Ah!

Eehh!?
The actress is sick, I beg you!
No no no, absolutely not!
You...
want me to be in the BAD DO PV?
I can't!

Note: CG is basically computer editing video. Fake stuff, green screens, etc.
Eeehh!?
Well she won't be in the foreground. Trust the CG.
But... Will it be okay to use a newbie?
No problem, we're pro make-up artists!
Firstly, I don't know anything about BAD DO!
And second, if anyone found out at school, it'd be a disaster!
It would've been better had I just stayed in the classroom.
So then...
Alright, all done!
This's definitely going to be a disaster.
What does that term mean!?

This day wouldn't have been such a disaster.

I can't believe it...
This's me!?
It's a pity she won't be in the foreground.
Not bad!
BAD DO!
Let's go see BAD DO!

How...
How cool!
These are idols?
Eeeeh!?
You absolutely can't tell anyone

Hiiii guys, Yukiko here. So I did it, I gave in and picked up a new series. It looks promising so far. We shall see.

I'm using magazine raws from Raff Manga right now and some raws provided by the group Pig Rabbit Fansub, but if the series does well, I will probably get the tanks.

Alrighty, ttfn!

~Yukiko

It's BADDO!
I was really rude earlier!
Eh!?
This's bad! If I don't move I'll be crushed!
The dress will get dirty!!

There's no place to go!!
Jump down here!!
I'll catch you!
That guy!!
Uwaah
Awesome!

She
really
Jumped!

ドキドキ

Ah...
Onto the next one!
This scene is done.
Eh?
Cut! That was fantastic!
Okay!
Was it...
because of him, I had the courage to jump?
and I thought this guy would be the worst.
Most boys are tough and scary,

I have yet to know what I've found.
Cut!
Great job!
Awesome!
The kiss... Even though it was fake, I'm still flustered!
You did a really good job!

You're
really
brave!

Perhaps you've fallen for Hii-san?

……

Ah!

Wa-
Wait!

Eh? N-No!
Thanks for helping film the PV!
Let's go, Kazuki.

Eh
Something happened between us?
I don't recall anything.
Earlier...
Back there...
I'm sorry if I offended you!
!!
He doesn't recognize me!
See you, little angel!
It's because I've got make-up on!
Bye bye.

No...I knew we wouldn't meet again.
I finally understand what it means to be an idol.
We live in different worlds but...
I knew it yet...
I'm so stupid.
Un...
"Bye bye."

I think I'm really in love...
After that, everyone went back to normal.
On white day I exchanged chocolate with my friends,
and during spring break we all hung out.

And like that, I became a second year.
芦名香月
大八木松呂
BADDo.
And I became a BAD DO fan...
Such a drastic change.
I love them! To death!
She's completely different.
After all, I'm in love...

To think it'd be this school.

¡BAD DO HA APARECIDO EN LA ESCUELA!
¡¡UN AMOR ESTA POR COMENZAR!!

SO EVERYONE...
Do you have spare time to just sit around and play games?
How about coming to Coyotte Cocoa and helping out!?
FIVE requires editors and translators, or else it will vanish from our hands! And Fukuoka has an entire cafe booklet dying to be translated by someone with more kanji knowledge than Yukuko has!
